Our Mission is to create gorgeous, sustainable, original, cutting edge, friendly and safe environments for beautiful people and tribes to gather and celebrate as one. To explore and share in the abundance of love, music and art in this world.

To be a platform for all kinds of incredible art, music, ideas, interactions and creativity. To support in real terms, the beautiful artists of all kinds whom we are so privileged to have in our lives.

Our passion is people. We create from the heart with eternal gratitude. What is important to us?

IMPORTANT CAMPING & PARKING CHANGES

If you are one of our regular Aumster's, you will notice some differences in how we organise camping and parking this year. Due to increased numbers, along with our desire to keep everyone as safe as possible, we've changed some things this year.

*PLEASE BE KIND AND UNDERSTANDING
TO OUR WONDERFUL PARKING CREW*

EARLY ENTRY GUESTS

If you have supporters tickets, early-entry tickets, or are a contributor, not much will change. Please arrive no earlier than your ticket states.
Please be considerate with your space.

GENERAL CAMPING

All campgrounds will be filled from the outside inwards. Once we reach the middle section of the main-campground **NO CARS WILL BE PERMITTED IN THE CAMP ZONE.**
Please drive to the car park as directed by the team, about 1 minute's walk away.

ARRIVE TOGETHER

We suggest you convoy with all of the people in your group. If you are arriving later, get your friends to take your gear and set you up. We will not allow people to drive around the site looking for friend's camps.

CARAVANS, SLEEPING VEHICLES AND OVERSIZE VEHICLES

CARS If you are sleeping in your vehicle, please let the parking crew know.
You will be directed to an appropriate space.

CARAVANS ALL caravan towing vehicles **MUST** be unhitched and placed in the main car parking areas as directed.

BUSSES + TRUCKS Depending when you arrive, you may be required to park your oversized vehicle in the **OVERSIZE HARD STAND.**
We recommend you come early, or upgrade your tickets to early-entry

Thank you in advance for your understanding and, no-doubt, friendly support around these changes. We are taking great care to make it a simple, logical and gentle change as possible.

WE ONLY HAVE A FEW RULES

BUT WE'RE STAUNCH
ABOUT THE ONES WE HAVE!

NO FIRES ON SITE

- Fire toys & props
- Fireworks
- Cigarette butts on the ground – please bring a container to put them in
- Wood or charcoal BBQ's
- Kerosine Cookers
- No generators

NO PETS ALLOWED ON FESTIVAL SITE

- Our festival site is a working deer farm and the deer, turkeys and chickens are tolerant of us however they won't accept your pets and neither will we.

NO DRIVING ON FESTIVAL SITE

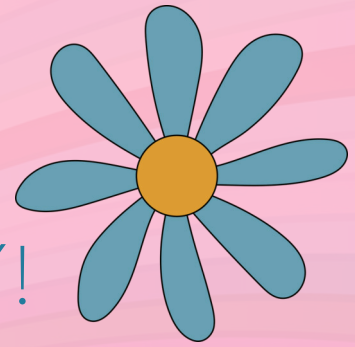

- Once you have parked near your campsite you will not be able to move your vehicle.
- If you need to leave before the 2nd of January please let the gate and parking team know and they will park you in **Early Leaver's** parking area. Otherwise, you're in it for the long haul. Not a bad place to be stuck 😊

NO SOUND SYSTEMS OR NOISY PARTIES IN THE CAMPGROUND

- We have four epic stages with a huge selection of music on them. Do your partying at the stages and keep the campground for sleeping and chilling.
- Sound systems will be confiscated.

AUM HAS A GREAT CULTURE, WE WANT TO KEEP IT THAT WAY!

Here are some of our expectations of everyone on our festival site:

CONSENT

WE'RE BIG ON CONSENT AT AUM

What is consent?

- It's not just about sex.
- Would you like a hug?
- May I touch your costume?
- Can I sit here?
- Do you feel like talking to me?
- Are you feeling comfortable?
- Would you like to?
- If you don't receive an enthusiastic YES! Then it's a NO! That's your time to walk away and find something else that's fun to do.

IMBIBING

IMBIBE RESPONSIBLY

- AUM does not have licensed bars. You may bring your own providing you don't bring glass.
- AUM is not a piss-up. If you get intoxicated you will stand out. Someone from our team will have a polite word with you and you may be asked to leave.
- Please check out the Elixir Mocktail Bar where you can purchase non alcoholic mocktails.
- Be smart with your imbibing. Know Your Stuff will be on site running drug checking clinics, please visit them.

Safe imbibing is smart imbibing!

ZERO WASTE

LEAVE NO TRACE

AUM is a Zero Waste event.

Please join this worthy movement!

- That means that you are responsible for your own rubbish.
- Please bring some rubbish bags so that you can separate your recycling and rubbish and take it home with you.
- There will not be bins provided for your waste.
- We care for the land/whenua that we are lucky enough to use for AUM, please do your bit and treat it with the respect it deserves.
- Please don't be afraid to gently call someone out if you see them littering. This is your HOME for your stay.

RESPECT

RESPECT AND CONSIDERATION

AUM is often described as feeling safe and friendly. That's because of you and how you behave. Thank you ❤️

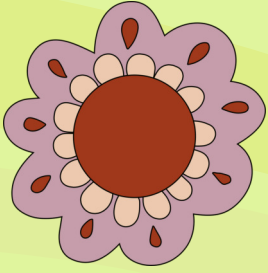

- Look after your mates, buddy up so you've always got someone when you need them.
- Look after our land and the animals that share it with us.
- Pick your rubbish up. Openly pick it up in front of others and encourage them to do the same!
- Be kind to others, they will likely be kind straight back!

THINGS TO DO!

MAKE SURE THAT YOU BRING
THE FOLLOWING WITH YOU:

- **ID** - It will be checked at the gate
- **Your ticket** - Downloaded to your phone or printed before you leave home
- **Rubbish bags** - For rubbish and recycling
- Tent / Van/ Camper

- **A table** - if you're bringing a gas cooker
- **A torch** - our festival site is large and is not lit across the whole site
- Portable ashtray container
- **Reusable water bottle** - We have FREE drinking water available for you on site and you need to stay hydrated!
- **Warm clothes** - it can get cold in the early hours
- Comfortable shoes

- **Dress Ups!** We love a good costume at AUM and you will be in good company 😊

THINGS TO KNOW!

Accessibility

- AUM is situated on sloping farmland with a sand base and access can be difficult.
- If you have a disability please make contact with us and we will do our utmost to accommodate you.

Be prepared

- AUM is an all weather event, sometimes it's really hot and sometimes it get's a bit cold and sometimes it's raining.
- Prepare for all weather!

Camping

- It's free! We don't charge you to park or camp at AUM. You're welcome!
- Please be considerate with your space and nestle in close to your neighbours. Space is limited and we may ask you to move or reduce your footprint.
- **A good tip:** if a spot is suitable for a tent, then please don't park there.
- Follow the lead of our brilliant parking team who will help you with where you can camp.

Carparking

- There is parking in the general camp zone near to your tent.
- Once you're parked you will not be able to drive your car until the 2nd of January.
- Please follow the guidance of our parking team to ensure that you park in the right spot.

Carpooling

- We're right into it.
- Do the right thing for the environment, save on fuel costs and keep our festival site neighbours happy... **Carpool!**
- Check out our Facebook page for rides/people that need a ride.

Children

There are many children of all ages on our festival site.

- Please be mindful of them and take care to show them how adults can have heaps of fun, responsibly.
- We recommend that you have your children away from the stages by 10.00pm at night.
- Please bring hearing protection for them, we can get a bit loud...
- Under 18s must be accompanied by a parent or guardian.

Deer & other creatures

- Deer and other creatures roam free on the festival site so please make sure you put your food away in the evening. They will absolutely scope out your campsite and nibble on anything left out, including your rubbish!
- If they eat your rubbish, they get sick and sometimes die. Please keep your site clean and tidy.
- It's fawning season. If you touch the fawns (babies) then their mother will likely reject them and they will die. Please love all of the animals on the festival site from a distance.

Driving to the Festival

- Wilson Road is gravel. This creates a dust nuisance for our neighbours.
- Please drive slowly on Wilson Road to keep the dust down.
- Stay to the left and keep your noise to a minimum. No stereos or stopping to look at animals.
- Our neighbours are awesome and deserve to be respected and considered.

Local Amenities

- Parakai is your last port of call when heading to the festival.
- The Parakai shops have lots of stuff you might need - large Four Square, a bakery and other stores - and they are lovely.
- Support our locals and make a stop to stock up.

- The Know Your Stuff tent offers a confidential drug checking service and can tell you if what you've got is what you think it is. They can also advise you on what's out there that is not good, what's out there that is too good so you know to take less. They have much other useful information too. The Know Your Stuff team are a wealth of knowledge and are keen to share it with you so don't hesitate to get in there and have a chat with the team. Look out for their smiley face logo.

I ❤️ AUM

WWW.AUM.CO.NZ

AUM is a love story that began with this sentence: "let's create an event and feel the joy of giving and receiving. Together."

Information	Security	Glamping	Gate
Toilets	Ticket Processing	Rent-a-Tent	White Stag Stage
Showers	Food	General Camping	Music Stages
Drinking Water	Fire Extinguisher	Crew, Artists and Contributors' Camping	Fitzroy Oasis
First Aid	Kindness Glade	Marketplace	
Emergency Exit	DeepSpace		
Fire Assembly Point			

Be kind, dance, hug, laugh, sing, relax, share, be gentle, do art with children, explore, get involved - and whatever you do, have a wonderful time. **SHINE ON!**

AUM IS A ZERO WASTE EVENT - PLEASE TAKE YOUR RUBBISH, LEAVE NO TRACE!
